S3321 White (01)

Weights

S3321 12.92 KG

Special Notes

Unfortunately we cannot guarantee protection against those intent on self-harm, but we consider that the design and materials used reduce the risks significantly. Must be installed using specialist Anti-Pick mastic sealant. Suitable for 150mm wall thickness. For smaller wall thickness please specify the optional 100mm pipe. For larger wall thicknesses please contact our technical department on the number below.
